76. YUGOSLAVIA

[Note: The WIDF Council expelled its Yugoslav affiliate -- the Organization of Yugoslav Women -- in November 1949, in line with the CPSU policy after the Tito-Cominform rift. Now, again conforming to the current CPSU-Yugoslav CP rapprochement, the WIDF Council, at its meeting in Peking in April 1956 "... at the request of several of its members," examined its previous decision and "... recognized that this decision was unjust." It "unanimously decided to revoke it." As of August 1956, the Organization of Yugoslav Women had not accepted the WIDF invitation to reaffiliate.]

77. UNDESIGNATED AFFILIATIONS

The WIDF Council, elected by the World Congress of Women in June 1953, included reserved "slots" for undesignated members from Peru, Thailand and Trieste and designated the following members from Portugal: Maria SILVESTRE, Julia COSTA, Ester DURSO and Helena SA. It is, therefore, assumed that the WIDF has an unidentified affiliate and/or parallel organization in each of these countries.
